

My-Checkpoints

Engaging Performance and Rewards Management Platform

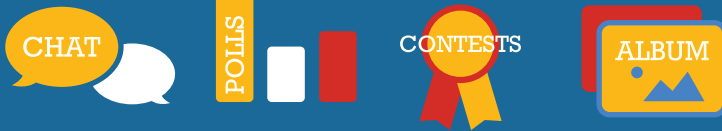

I. UNLOCK your employees' full POTENTIAL with FUN & ENGAGING tools

“Studies show that a happy & engaged workforce increases productivity by up to 43% & profits by 33%.” (Gallup & Hay Group)

My-Checkpoints is a robust performance and rewards platform designed for today's highly competitive BPO industry to increase productivity and profit by making work more fun, engaging, and truly rewarding.

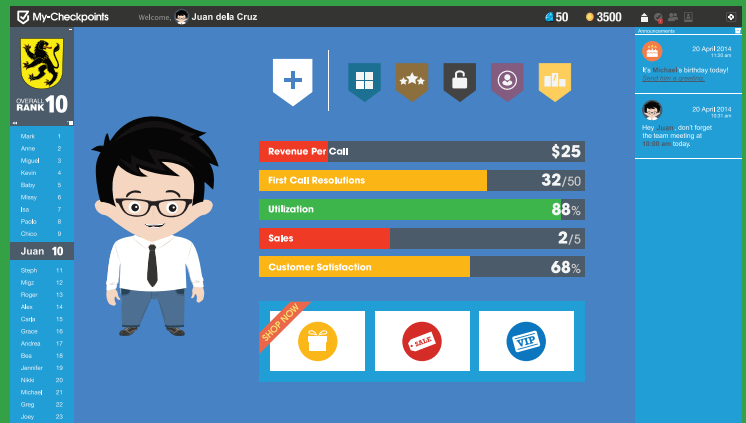

II. CASCADE company GOALS and CULTURE like never before

Imagine having the power of social media and casual games in an office tool to help you inform, collaborate, and provide valuable feedback.

III. Offer a buffet of REWARDS to your budding superstars

Aside from being able to easily manage and showcase your own internal rewards on My-Checkpoints, we also offer a huge variety of virtual and even real world rewards! This ensures that your achievers always have something relevant and exciting to choose from.

IV. ANALYZE that!

Of course, at the heart of all the fun and games is your bottomline. Track performance, engagement, and even company sentiment with the various awesome visualization tools.
